

Product backlog

Dette dokument består af user stories, som er lavet på baggrund af den kravspecification vi, Fenrir Game Studio, har modtaget til udviklingen af konceptet: Single Netværk.

User stories

Admin

r5	As a user I want to receive a notification when hosting an event when nobody has rated, so I am encouraged	
r6	As a user I want to receive a confirmation mail when registering, so that I can activate my account.	

Spørgsmål

- Hvad er pointen i en bruger inbox, hvis man ikke kan skrive men kun modtage. Er det ikke nok at bruge brugerens personlige email i stedet?
- Hvorfor antage at brugeren ikke vil fortsætte sit abonnement og spørge med en mail-robot hver måned? Hvorfor ikke i stedet antage at brugeren vil fortsætte og lade brugeren selv annullere som f.eks. Netflix/HBO gør det?
